## Coaching Scholarship Scheme

Scottish Cycling has received funding from **sportscotland** to support the sustainability of the delivery of the UK Coaching Certificate at Levels 1 and 2. Scottish Cycling is also keen to support coaches from groups that are currently under-represented in cycle-coaching, in particular women and young people (under 23) and coaches with a disability.

NB. Coaches who are not within or working with riders in the designated groups can still be considered for scholarships, but priority will be given in these areas.

- Any coach failing to complete the qualification for which they have received a scholarship will be required to return the full amount of the scholarship received.
- No financial support will be awarded on a retrospective basis
- Coaches can only make one application per course. They can, however, make applications for subsequent courses.
